A new resource that addresses issues affecting foreign nationals living in Oregon, *Rights of Foreign Nationals* combines relevant statutes, rules, and cases on matters such as domestic relations, employment, personal injuries, criminal offenses, business law, and public benefits. This valuable reference will help lawyers avoid potential pitfalls, and highlights situations in which standard advice for a citizen client might be inappropriate for a noncitizen client.

**Highlights:**

- How is proper service executed on parties living outside the United States?
- Which Oregon crimes are considered aggravated felonies that would render a client deportable?
- How do federal and Oregon housing laws protect foreign nationals?
- What types of public benefits are available to noncitizens?
- How does a client's immigration status affect his or her right to relief under U.S. employment laws?
- How do Oregon's new DMV requirements affect noncitizens trying to obtain a driver license or ID card?

*Rights of Foreign Nationals* provides you with the guidance to know how the citizenship status of your client affects the proper handling of a case.
